Professional Summary

Hi, I'm Abdul Noor, a passionate and dedicated Web Developer with hands-on experience in building responsive, user-friendly, and modern web applications. I have strong skills in HTML, CSS, JavaScript, Tailwind CSS, React.js, Node.js, Express.js, MySQL, and WordPress. I enjoy turning ideas into practical digital solutions and continuously enhancing my technical expertise through learning and real-world projects. In addition to web development, I am proficient in Microsoft Word and Microsoft Excel, enabling me to create professional documents, reports, and spreadsheets while maintaining organized project records. I am seeking an opportunity to join a dynamic organization where I can apply my skills, contribute to its growth and success, gain valuable industry experience, and further develop my career as an energetic and motivated professional.

Education

Matric Science | 22 July 2020 | Bise Abbotabad
